SAMAEL AUN WEOR · IN HIS OWN WORDS

Every word here is his. Nothing has been paraphrased, joined or improved. Each passage was cut out of the book it belongs to by reference, and each carries that book and the paragraph it came from, so anything on this page can be found again in the source. 109 of the 262 passages come from his own book *Christ Will* (1959), whose numbered verses are printed as he set them; the rest are gathered from all fifty-two books.

The first part is the will of the Father, done on earth as it is in heaven: *"The will must kneel before the INTIMATE." "Let the will of the FATHER be done, because mine is worth nothing."*

The second part is the Christic Will itself: *"It is necessary to Christify the Will." "The Christic Will is the Sun, the Cosmic Christ, the Martyr of the Calvary in us."*

The third part is Thelema, the motto, and the crown of thorns: *"The Divine Rostrum crowned with Thorns signifies Thelema, that is to say, Conscious Will." "…we need men of thelema, men of will who do not let themselves be enslaved by the mind."*

The fourth part is will and desire: *"Will and desire are two poles of the same thing." "The sensation-will is sensation-Spirit, is sensation-Christ."*

The fifth part is the body of conscious will, the causal body, and how it is made: *"The Body of Conscious Will (Causal Body) can only be built within the Flaming Forge of Vulcan." "Once the Body of Conscious Will is fabricated, one becomes Twice-born."*

The last part is the good use of the will, and respect for the will of others: *"The Will is an explosive power, with which we cannot play." "The Christic Will is not tyranny."*

Three passages from his earlier books carry an editor's note beneath them, pointing to his later teaching that the Kundalini awakens only through the sexual work of the couple. His words are printed as he wrote them.

Part One – Thy will be done on earth as it is in heaven

12 PASSAGES

1 Thy will be done

The first chapter of the 1955 book sets the human will on its knees before the Father and the Intimate, with the prayer of Gethsemane at its centre. A will that acts on its own is called weak and guilty of lèse majesté, while the crown of thorns marks the will made Christic.

1. Have you seen Oh! BUDDHA, those ineffable beings that in the world of the will reverently bowed before the majesty of the FATHER.

CHRIST WILL, 1959

> *2. Thy will be done, Oh, MY GOD, on earth, as it is in heaven.*

CHRIST WILL, 1959

> *3. "Father, if thou art willing, remove this cup from me; nevertheless not my will, but thine, be done." (Luke 22:42-45).*

CHRIST WILL, 1959

4. The will must kneel before the INTIMATE.

CHRIST WILL, 1959

5. The will must humiliate itself before the majesty of the FATHER…

CHRIST WILL, 1959

6. If we wish to christify the body of will, we must do the will of the FATHER, on earth as in heaven.

CHRIST WILL, 1959

The crown of thorns symbolises the CHRISTIC will.

CHRIST WILL, 1959

7. THE FATHER and THE SON are ONE, but the rebel SON is weak before the majesty of the FATHER.

CHRIST WILL, 1959

8. The Christic will is powerful, because it only does the will of the INTIMATE, on earth as in heaven.

CHRIST WILL, 1959

9. When the will wishes to act independently, without doing the will of the FATHER, it is a weak will.

Christ Will, 1959

10. We must put on our temples the Crown of thorns of the Master.

Christ Will, 1959

11. The crown of thorns symbolises the CHRISTIC will.

Christ Will, 1959

13. When the human will opposes the will of the FATHER is guilty of lèse majesté.

II The Gnostic only performs the will of his Intimate

Here the Gnostic asks his Intimate for nothing except as the Intimate wills, and the black magician is the one who uses his willpower without that consent. Further passages read the Lord's Prayer, the words of Matthew and the call to build the Church of Christ as the doing of the Father's will.

A PRACTICE

For instance, when the Gnostic wishes a distant friend to come near to him, then, he begs his Intimate as follows: "My Father, I beg you to bring near to me (name the person), but not as I will, but as you will."

THE REVOLUTION OF BEELZEBUB, 1950

The black magician proceeds to use his so called "Asuncion" or will power, without taking the will of his Intimate into account.

THE REVOLUTION OF BEELZEBUB, 1950

"Thy will be done on earth as it is in heaven" is what the Gnostic says, because the Gnostic only performs the will of his Intimate on earth as it is in heaven, in other words, in the superior planes of consciousness. The Gnostic places all of his longings in the hands of his Intimate.

THE REVOLUTION OF BEELZEBUB, 1950

Gnostics must do the will of the Father, on Earth as it is in Heaven. But men generally call and invoke God so that He may do their will, that is to say, what is contrary to God's will.

BOOK OF THE VIRGIN OF CARMEL, 1952

Before Jesus, a few incarnated Him. After Jesus, some incarnated Him. In the future many will incarnate Him. Christ was Osiris in Egypt. The one that incarnated Him was Osirified in the same way the one who embodies Him becomes Christified. If you want to embody Him, build His Church. That is the will of the Father.

CHRISTMAS MESSAGES, 1952-66

> *"Not everyone who calls me Lord shall enter the kingdom of Heaven, but he that does the will of my Father in Heaven.*

CHRISTMAS MESSAGES, 1952-66

We must perform the will of God on earth as it is in heaven while on the Path of the Interior Peace. This conformity with the mild yoke takes us through the narrow stretch and difficult Path that leads us towards the Light.

THE AQUARIAN MESSAGE, 1960

“Thy will be done”, the union with God, leaving all resolved... With these three petitions Krumm Heller says we have asked all. And if one day we achieve it, we will already be Gods, and in as much shall no longer need to ask.

III We must obey the Will of the Father

Obedience to the Father is presented as the remedy for a vain and foolish humanity. Whoever has formed the body of conscious will has learned that obedience; once the ego is gone only His will remains, and the Pistis Sophia passages show the Twin Soul and the Invisibles already fulfilling it.

13. You only want to carry out the Will of the Father, on Earth as well as in Heaven. 14. You will work with vast crowds.

Christ Will, 1959

1. We must obey the Will of the Father, because man is vain and foolish.

Christ Will, 1959

Firstly one does one's capricious will; later, one must do the Will of the Father. When one no longer has "Ego", evil disappears, and one knows only how to do the Will of the Father. He is our true Being, is the Ancient of Days, is beyond Atman. When he commands his orders must be carried out.

Tarot and Kabalah, 1978

If there is right deed. If we do something wrong, it is not the Will of the Father.

Tarot and Kabalah, 1978

Only the magical mirror of imagination is the one that holds in itself the will of our Father who is in secret.

Parsifal Unveiled, 1970

It is necessary; it is urgent to dissolve the animal ego, to reduce it into cosmic dust. The Sun-Christ, ascending through the First Mystery, signifies action of the Lord by the will of the Father.

Pistis Sophia Unveiled, 1983

> *Obviously, he who has formed the body of conscious will, has learned to obey the Father.*
>
> The Fifth Gospel

If we do not learn how to perform the will of the Father in the superior worlds as well as in the physical world, then we cannot crystallize the first Force within Ourselves.

Pistis Sophia Unveiled, 1983

> *13. But when they constrained me, I sat in the darkness, my soul bowed down in morning. 14. And do thou, O Light --for that reason sing I praise to thee -- save me. I know that thou wilt save me because I fulfilled thy will ever since I was in my aeon. I fulfilled thy will, as the invisibles who are in my region, and as my pair. And I mourned, looking unceasingly and searching for thy Light.*

Pistis Sophia Unveiled, 1983

The Mysteries of the Light are terrific and only Adhi-Buddha knows them completely. The Invisibles who are in the region of the Thirteenth Aeon and the Pair or Twin Soul of every Initiate know how to fulfill the will of the Father of all Lights.

Pistis Sophia Unveiled, 1983

We need to obey the Father, and those who let themselves be carried away by negative emotions do not obey the Father. The Father is the truth and nothing but the truth. In order to obey the Father, the connections must be perfect. One must learn to connect with the Father in a harmonious, correct way. Obviously, he who has formed the body of conscious will, has learned to obey the Father.

The Fifth Gospel ·Secret Repercussions of the Rings of Alcyone

We all have, in the depths, the Ancient of Days, as mentioned by Simeon bar Yochai, the great Kabbalist, but few are those who know how to obey the Ancient of Days. One cannot obey the Ancient of Days if he does not do the will of the Father.

The Fifth Gospel ·Secret Repercussions of the Rings of Alcyone

The ninth Arcanum of the Tarot, the wise and prudent Hermit wrapped in the protective mantle of Apollonius—which symbolizes prudence—leans on the staff of the Patriarchs and is illuminated with the lamp of Hermes (wisdom). The alchemist must always do the will of the Father. He must be humble in order to attain wisdom, and once he has attained it he must be even more humble than all others. It is better to die and to keep silent. As the Sinning Adam dies, the Adam Christ is born.

IV The need to do the will of the Father

Answers given to students treat the Father's will as something to be done in the heavens and on earth alike, out of good will and through the law and the prophets. The section also gathers the words spoken in the garden, applied to the soul about to reincarnate, which does better to let the Father choose for it.

9. Let the will of the FATHER be done, because mine is worth nothing.

CHRIST WILL, *1959*

"I attaineth unto thy boat Oh RA and behold I sitteth therein; thus, I receive the rightly deserved offerings." This is textually taken from The Book of the Dead of ancient Egypt. "…On earth peace towards men of good will"… If people could understand what this phrase signifies… If they could learn how to perform the will of the Father…

MY RETURN TO TIBET, *1969*

To do the will of the Father in heaven as it is on earth, to die in the Lord, is the deep meaning of this symbol...

THE THREE MOUNTAINS, *1972*

Question: Beloved Master, if the divine will is not done in man, the Microcosm, then why is it said that not a single leaf of a tree moves without the will of God?

YES, THERE IS A HELL, A DEVIL AND KARMA, *1973*

Answer: Distinguished gentleman, in the sacred absolute sun, as I have already said, only the one law governs. In the cosmos of three laws, the will of the Father is still carried out, because all is governed by the three fundamental laws. However, in the world of six laws, beyond all doubt, there already exists a mechanicity, which in a certain way makes it independent of the will of the absolute. Now, think of the worlds of 24,48 and 96 laws.

YES, THERE IS A HELL, A DEVIL AND KARMA, *1973*

Question: Master, how can we do the will of the Father if we are asleep, if we cannot see him nor hear him?

YES, THERE IS A HELL, A DEVIL AND KARMA, *1973*

If each of those here present, if each person proposes out of good will to live in accordance with the law and the prophets, he will do the will of the Father in the heavens as well as on Earth.

Yes, There Is a Hell, a Devil and Karma, 1973

Answer: Distinguished lathes and gentlemen that listen to me. Every illusion is permitted to reincarnating souls; however, it is preferable to exclaim with Jesus, "Father, if it is possible take this cup away from me, but let not my will be done, but yours." In these instants when I converse with you here, within the study of my own house which is also yours, something very interesting comes to my memory: It so happens that on a certain night I was called telepathically by a group of Masters of the Venerable Great White Lodge.

Yes, There Is a Hell, a Devil and Karma, 1973

In this manner, my friends, we should always do the will of the Father, never ours. Those who reincarnate can choose, in accordance with the law of Karma, the conditions of life that they want, without deviating, it is clear, from karmic law, but it is preferable that our Father that is in secret choose for us what is most convenient.

Yes, There Is a Hell, a Devil and Karma, 1973

Because of this, I insist on the need to do the will of the Father, both in the heavens as on Earth.

V Caiaphas, the Demon of Ill-will always wants to have his own way

The third traitor of the Passion lives inside each person as the Demon of Ill-will, the one who always does what he likes. In ordinary man the causal body of Theosophy is this demon, and the earthly man who yields to the Father goes to his death.

The first one is inside the Astral Body. The second one is inside the Mental Body. The third is inside the Body of Will (Causal Body).

THE AQUARIAN MESSAGE, *1960*

The encounter with the third guardian takes place in the world of the will. The Demon of the Ill Will is the most terrible of the three. People do their personal will. The Masters of the White Lodge do only the Will of the Father, on Earth as it is in Heaven.

THE PERFECT MATRIMONY, *1966*

Theosophy speaks about the Causal Body, but man does not have the Causal Body but rather the Demon of Ill-will, called Nebt in the Egyptian Mysteries.

TAROT AND KABALAH, *1978*

3: Caiaphas is the Demon of Ill-will. He who does not do the Will of the Father is disobedient. The Will of the Father must be done, here, and in the Internal Worlds. "They who are sleeping must do the Will of the Father". The Will of the Father is done: If there is right thought. If there is right feeling.

TAROT AND KABALAH, *1978*

Every Initiate has to live the Cosmic Drama of the Crucifixion in him self. The Three Traitors crucify him, they deliver him. Judas, the Demon of Desire sells him for 30 pieces of silver, hands him over for women, pleasures, diversions. Pilate, the Demon of the Mind always washes his hands, finds a justification for all of his errors. Caiaphas, the Demon of Ill-will always wants to have his own way, abhors the Will of the Father. The Initiate has to live the Cosmic Drama in a complete, integral and total form.

TAROT AND KABALAH, *1978*

We find that he is cursed and betrayed and will have to die; that is to say that the earthly man must die, he submits himself to the Will of the Father and goes to his death, his posthumous work.

TAROT AND KABALAH, *1978*

The Masonic brothers well know who the three traitors of Hiram Abiff are: Judas is the demon of desire, who betrayed the Inner Christ from second to second; Pilate is the demon of the mind that is always excusing itself, justifying itself, washing its hands, declaring itself innocent; etc., etc. Caiaphas is the demon of ill will. Each person carries him well within, he who does not know how to do the will of the Father, he who always does what he wants, whatever he feels like doing, without caring in the least about the comandaments of the Blessed One.

VI Humbly submit themselves to the will of our Innermost

Once the four bodies of sin stop ruling, the will obeys only the Intimate and bends its knees before no Pilate or Caiaphas. A will that still obeys those bodies lives as a prisoner.

48. The Will must only obey the INTIMATE.

Christ Will, 1959

49. The Will that obeys the four bodies of sin lives as a prisoner amongst the chains of bitterness…

Christ Will, 1959

52. The Christic Will only does the will of the FATHER, on earth as it is in heaven. 53. The Christic Will is a rebel against the earthly things, because it only obeys the will of the FATHER.

Christ Will, 1959

54. CHRIST did not give in before Pilate; neither did he bend his knees before Caiaphas, because the Christic Will only kneels before the Will of the FATHER.

Christ Will, 1959

The Masters of Karma use a sacred mask which is in the form of a jackal's head, or plumed wolf, when they are officiating as Judges. With this mask, they present themselves to the Initiates in the internal worlds. This is the cruelty of the Law of love. Experience is the unique worthwhile thing that we acquire throughout our incarnations. With the death of our personality, our four bodies of sin cease tyrannizing us and humbly submit themselves to the will of our Innermost or universal soul.

7 PASSAGES

1 We want the will to become Fire

The introduction to the 1955 book announces the mysteries of the Fifth Seal and of the human will, and states its aim plainly: to christify the will and make it fire. It places that work in the sexual magic of man and woman.

In this book we study the Mysteries of the Fifth Seal. In this book we study in detail the great mysteries of the Human Will.

Christ Will, 1959

Much has been written about the Will, but nobody has ever studied the great mysteries of the Universal Will.

Christ Will, 1959

It is necessary to Christify the Will. It is necessary to become all-powerful.

Christ Will, 1959

We want the will to become Fire.

Christ Will, 1959

All the greatest powers of the Universe are contained in the SEX. All the terrifying powers of the Creation slumber in our creative organs. LOVE is the foundation of the GREAT WORK. Man and Woman united sexually can become terrifying monarchs of Nature. When a Man and a Woman are sexually united, something is created.

Christ Will, 1959

Those who want to christify their Will must intensely practice Sexual Magic with the woman.

Those who want to become Gods must practice their cult of Sexual Magic with the Woman. Whatever is not done in this manner, is regrettably a waste of time.

A child born in the causal world stands for the body of will, and the human will starts its march towards complete christification. Fear and the search for security are named as what enslaved that body, and the writers on the will, Krishnamurti among them, are said to have missed the Christic Will entirely.

1. You have awakened your fifth Serpent, to Christify the body of will.

CHRIST WILL, 1959

2. Rejoice Oh! Illuminated Buddha, because your human will will become the Christic Will. 3. A beautiful child appears in the Causal world, he is the body of your Will.

CHRIST WILL, 1959

27. Now, the Human Will will only obey the orders of the INTIMATE, because already the DIVINE TRIAD has liberated itself from the four bodies of sin.

III The fifth serpent gives us Christ-Will

Christ-Will is counted among the Christic vehicles, beside the Christ-Astral and the Christ-Mind, and no one incarnates the Soul without it. It belongs to the fifth serpent of the alchemical work, and the heated retort brings it to birth as a divine child.

Do you want power? You need to have the vehicles where the powers develop. The astral, mental and causal ghosts develop the powers of a phantasm, that's all. You need the Christic powers. In what vehicle are you going to develop them? Have you not acquired the Astral Christ? Have you not the Mental Christ? Do you not enjoy the body of Christ Will?

CHRISTMAS MESSAGES, *1952-66*

52. The fifth serpent gives us Christ-Will. The sixth serpent gives us ChristConsciousness. The seventh serpent unites us with the One, with the Law, with the Father.

TREATISE OF SEXUAL ALCHEMY, *1954*

The Fifth Serpent converts the Human Soul into an ineffable Christ; we then have the will of the Lord.

THE GREATER MYSTERIES, *1956*

The Ninth Sphere is definitive for the aspirant to realisation. It is impossible to selfrealise intimately, without having incarnated the Soul. No one can incarnate the Soul if he has not engendered the Christ-Astral, the Christ-Mind and the Christ-Will. The present internal vehicles of man referred to by theosophy, are only simple mental forms that everyone must dissolve when they try to achieve intimate self-realisation.

THE PERFECT MATRIMONY, *1966*

This work having been completed, still something is missing. Christ Will is missing. By intensely reheating the Retort of the laboratory, a Divine Child comes to life—the Christ Will, the divine body of the soul. The one who has been successful in creating all of these Christic vehicles inside of the Alchemical Retort totally and integrally incarnates his Soul. Only those who have attained the incarnation of the Soul merit the precious title of "Man". Only this kind of True Man can elevate himself to the Kingdom of the Superman. Only this kind of True Man can receive the Elixir of Long Life.

IV The Human Will that must Christify itself

The Ego-Manas is identified with the human will, which has to learn obedience to the Father in order to fuse with the Intimate. The later chambers of the 1955 book record the stages: the body of will turning into Christ-Will, the alliance of Son and Father, and the Initiator drawing the Christic Will out of the causal body.

8. The body of Will is being converted into the Christ-Will.

CHRIST WILL, 1959

9. When the EGO-MANAS learns how to obey the will of the FATHER on Earth as it is in Heaven, then he understands the Will of the FATHER, identifies himself with the FATHER, and Christifies himself.

v The Christic Will is sacrifice and filial love

Sacrifice, filial love and apostolate define the Christic Will in these verses, and the face on Veronica's cloth is its symbol. In the world of the will each initiate carries a cross, obeys only superior orders and forces no one.

56. The Christic Will only kneels before the FATHER. The Christic Will is sacrifice and filial love towards the FATHER.

10. The Human Will has been crucified with an immense pain.

CHRIST WILL, 1959

Men place their will at the service of the beast and that is why they fail. The divine Master said, "O my Father, if it be possible, let this cup pass from me: nevertheless not as I will, but as thou wilt." Thanks to his priestess, the divine Master was able to raise his fifth serpent upon the rod. The initiate enters the temple when he awakens his fifth serpent. The altar is then adorned with Veronica's sacred shawl. The divine face with the crown of thorns is the living symbol of the Christ-Will, which is total sacrifice in favor of poor suffering humanity, In the world of the will, all the initiates carry their cross.

THE GREATER MYSTERIES, 1956

The Christ-Will only knows how to obey superior orders; it respects the free will of others; it does not exercise coercion over others, not even in 'play, because that is black magic. In the world of the will, the soul crucifies itself in order to save humanity. The ascent of the fifth serpent through the spinal column of the Soul-Will is very slow and difficult. When the fifth serpent reached the fifth holy center of the heart, the Buddha Jesus of Nazareth entered a sacred precinct. A great Egyptian initiate said, "Many fight over the Master." Truly, my brothers, all sects, religions and schools fight over him a great deal.

Part Three – Our motto is Thelema

6 PASSAGES

1 Men and women with a will-power of steel

Thelema, the Gnostic motto, is first of all the will that keeps the sexual energy and does not spill it. Without it the weak fail in the Great Work; with it men and women labour in the Ninth Sphere without rest.

The enjoyment of "nus" is the breath of god, and because of this it can never be bad. The sexual enjoyment of "nus" is a legitimate enjoyment of man; but we must learn to induce "nus" without harming ourselves. Our motto is "THELEMA".

SECRET NOTES OF A GURU, 1952

Thus, will power to enjoy "Isis" without spilling the semen, that is all. Our motto is "THELEMA" (will).

SECRET NOTES OF A GURU, 1952

1. "Dominate the Animal Nature," remember that without THELEMA (Willpower) the weak and cowardly Intellectual Beasts fail in the Great Work.

THE SOLAR BODIES, 1968

People with THELEMA (will-power), men and women with a will-power of steel, you must work without rest within the Ninth Sphere (the sex).

RUNIC MAGIC, 1969

Lift up your cup well on high and take care not to spill even a drop of the precious wine. Remember that our ensign-motto is thelema (will).

THE GREAT REBELLION, 1975

Water contained at the bed of seas, rivers and oceans, heated up by the fire of the sun, is transformed into clouds that rise up to the sky, and after a certain time of digestion they are converted into thunder and lightning. This same process is repeated in the sexual laboratory of the Alchemist. Our motto is Thelema, which is Willpower. The entrance to the ancient archaic temples was commonly a hole or opening hidden at some mysterious place in a thick forest. We departed from Eden through the door of sex. Only through that door can we return to Eden. Eden is sex itself. Sex is the difficult, straight and narrow doorway that leads to the light.

11 We need men of thelema, men of will

Several books close a teaching with the same motto and tie Thelema to the warrior of Arcanum 7, to the seed that germinates the Superman and to the gold drawn from the lead of the personality. Intimate self-realisation is reserved for those who have it.

The beloved brothers and sisters of Gnosis, while supporting themselves on their staff, walk this three-fold path. Our motto is Thelema (Willpower).

THE YELLOW BOOK, *1959*

It is necessary to transmute the lead of the personality into the gold of the Spirit. Only in this way can we again speak the very pure orthoepy of the Divine Language. Our motto is Thelema (Will).

THE PERFECT MATRIMONY, *1966*

It is difficult to establish the precise amount of time for the Second Birth, because this depends on the quality of work. Some people can attain the Second Birth in fifteen or twenty years of intense work in the Ninth Sphere, others can endure much more time. Remember Gnostic Brethren that our Motto is THELEMA (willpower). Intimate Selfrealization is only for men and women with Thelema. Before any Twice Born, Two Paths are open: the path of the right and the path of the left. The Path of the right is for those who work in the dissolution of the "I." The Path of the left is for those who commit the error of not working with the dissolution of the "I." The Twice Born who does not reduce his Lunar Ego to cosmic dust converts himself into an abortion of the Cosmic Mother. He becomes a Marut, and there exist thousands of types of Maruts. Certain oriental sects and some Muslim tribes commit the lamentable error of rendering cult to all of those families of Maruts.

THE SOLAR BODIES, *1968*

Arcanum number 7 is Struggle, Battle, Difficulties. The Warrior must learn to use the Staff and the Sword; thus he will attain great victory. Our motto is Thelema (Will). Kabalistic Sephiroth: "Netzach."

The Will (Thelema) acquires the power of transmutation that converts the base metals into gold, that is evil into good, in all circumstances of life.

THE THREE MOUNTAINS, *1972*

We need to be active and quick like the Sylphs, flexible and careful with images like the Undines and the Nereids, energetic and strong like the Salamanders, and industrious and patient like the

Gnomes. In a word, it is urgent to overcome the elementals in their strength, and never be defeated in their weaknesses. Remember that our motto is Thelema (will power).

The Secret Doctrine of Anahuac, 1974

The Mayans state that in the first heaven, God, the Verb, held his stone, fastened his serpent, secured his substance. Only with the Arcanum A.Z.F. can the verb be made flesh, in order to once again fasten his stone, his serpent and his substance. We then return to the Ain Soph, we go back to the unity of life. Be "children of the widow", your Divine Mother is now widowed; when she rises up through the medullar canal she is wedded to the Eternal Beloved. Your Divine Mother is the second Arcanum, the Papess of the Tarot. She is crowned with the Tiara. The head of the Cosmic Mother is surrounded by a veil. You must be valiant and lift the veil of Isis. Our Gnostic motto is Thelema— Willpower.

Esoteric Course of Kabbalah

Our motto is Thelema. All the power is contained in the seed whose symbol is the spike of wheat. The sacred angel that we carry within, intensely sacred, sounds his trumpet and the two witnesses rise from the sepulcher.

Esoteric Course of Kabbalah

The Adam Christ is born of the seed. The grain, the seed, needs Thelema (willpower) in order to heroically germinate the Superman; his birth is not the result of evolution. The Superman does not require improvements, as many students of occultism suppose.

Esoteric Course of Kabbalah

Now, we need men of thelema, men of will who do not let themselves be enslaved by the mind.

When inhaling, imagine the sexual forces rising, ascending from the sexual glands throughout the pair of sympathetic nervous cords, which are known in India by the names of Ida and Pingala. These nerves or tubes reach the brain, then after they continue through other nerves towards the heart. These nerves are other channels, the Amrita Nadi is one among them. When exhaling, imagine the sexual energies entering the heart, and even penetrating more deeply, reaching to the consciousness in order to awaken it. Strike the consciousness with force, with THELEMA (Will-Power), thus combining the Runes Thorn and movement.

IV Many heads crowned with Crowns of Thorns

Stone heads crowned with thorns from the Bronze Age and from the Mayan lands are read as signs of conscious willpower and of the solar body of Christ-Will, which Hydrogen Six nourishes. The section ends with his sunrise practice of the syllables TA, TE, TI, TO, TU.

THE MAYAN MYSTERIES, *1977*

THE MAYAN MYSTERIES, *1977*

11 Sexual desire is transmuted into willpower, and willpower is fire

The Aquarian Message, 1960

When the sexual desire is transmuted into willpower, it becomes the flaming fire that victoriously ascends throughout the spinal medulla.

Endocrinology & Criminology, 1957

> Editor's note. In his later teaching the Master makes this plain: pranayama, mantras and chastity purify the channels and sublimate the sexual energy, and single people should practise them, but the Kundalini itself awakens only through the sexual work of the couple (Maithuna). See The Solar Bodies (1968), ch. 25, and Tarot and Kabbalah (1969), Arcanum 11.

The Kundalini can also be awakened by the actions and grace of a Master of Major Mysteries of the White Brotherhood, or because the Divine Mother wants it to be so. When the yogi spills the

semen, the Kundalini cannot awaken. The ascent of the Kundalini through the medullar canal is very slow and difficult. The passage of the igneous serpent, from one vertebra to another, signifies terrible ordeals, dreadful sacrifices and supreme purifications. We must not only kill desire, but moreover, we must kill the very shadow of desire. Our motto is Thelema (Willpower).

III The revolution of man is the revolution of his willpower

Mechanical man believes he has conscious will, yet each of his many I's carries a will of its own and the essence stays trapped in them. True will is shown as the fruit of self-knowledge, the death of the ego and voluntary effort, and its marvels as those of a freed conscious will.

Supreme Christmas Message 1965-1966: "The Science of Music" nature are tremendous liars, jokesters, and deceivers. Because there has never been and there will never be a mechanical SelfRealisation. Intimate Self-Realisation is the revolution of the consciousness, and the consciousness could never unconsciously revolutionize itself. The revolution of man is the revolution of his willpower, and so this could never be a mechanical, involuntary revolution. Intimate Self-Realisation is the result of supreme and voluntary self-efforts that are perfectly self-conscious. Intimate Self-Realisation demands tremendous individual super-efforts, and these are only possible through the revolution of the consciousness.

Christmas Messages, 1952-66

When a human being is impelled by his conscious spiritual willpower, he awakens the sacred fire of the Holy Spirit (which as a coiled serpent abides in every human body within the coccygeal ganglion) and excites this fire and impels it into activity, then this fire will convert itself into the agent of work of Telesis or the intelligent work of perfection within the Initiate.

It is urgent that we create conscious will, it is indispensable that we subject all our thoughts and acts to the INNER JUDGEMENT. Only in this way can we know ourselves in depth in order to create Soul.

Treatise of Revolutionary Psychology, *1975*

No one can arrive at "Real Illumination" nor exercise the absolute Priesthood of the Conscious Willpower, if he has not first died radically in himself here and now. Many people write us frequently complaining of not possessing illumination, asking for powers, demanding clues that shall convert them into Magicians, etc.; but they never become interested in observing and knowing themselves, or in disintegrating those psychic aggregates, those "I's" within which the willpower, the Essence, is absorbed. Persons like that are obviously condemned to failure. They are people who covet the faculties of the Saints but who have in no way decided to die in themselves.

Treatise of Revolutionary Psychology, *1975*

It is clear to comprehend that each "I" possesses its own particular, unconscious will. The innumerable wills engrossed in the "I's" frequently clash with each other, making them impotent, weak, miserable, victims of circumstances, incapable, due to that reason.

Part Five – We need to acquire the body of Conscious Will

1 One cannot create a body outside of the Ninth Sphere

Fakirs, monks and yogis gain mastery of body, emotions or mind, but the body of Conscious Will is made only with the Maithuna and the sexual hydrogen. Physical austerities store a little energy and nothing more, since no body is created outside the Ninth Sphere.

People believe that they have conscious will when in reality they only have desires that, concentrated in this or that direction, are falsely denominated as force of will. In reality it is only the force of desire.

Christmas Messages, 1952-66

We need to acquire the body of Conscious Will. This is known in occult literature as the causal body. Fakirs, monks, yogis and Gnostics all coincide in the purpose of acquiring the body of Conscious Will, because we know very well that said body is what makes us immortal in the most complete sense of the word.

Christmas Messages, 1952-66

Really, it is only possible to acquire this body with the Maithuna, Sexual Magic; the Arcanum A.Z.F. The fakir achieves dominion of his physical body and invigorates his force of will, but does not acquire the body of Conscious Will. The monk achieves compete control of his emotions but does not attain the body of Conscious Will. The yogi achieves the total control over his mind, but does not acquire the body of Conscious Will. Sooner or later, fakirs, monks, yogis have to resolve to work with the Hydrogen Si 12, with the purpose of really acquiring the body of Conscious Will.

Christmas Messages, 1952-66

After the mental body has been crystallised, the excess of the Hydrogen Si 12 needs an additional shock which will place it in the note Do of a fourth octave of the musical scale. The fourth octave of the musical scale originates the crystallisation of the Hydrogen Si 12 into the resplendent form of the body of Conscious Will, which makes it immortal.

Christmas Messages, 1952-66

Supreme Christmas Message 1963-1964 nourishes the body of Conscious Will. Only the one who already has the body of Conscious Will truly possess that which is called true will.

Christmas Messages, 1952-66

The one who possesses the body of Conscious Will is no longer a victim of circumstances; they are capable, very capable, of determining circumstances, they no longer determined by them.

Christmas Messages, 1952-66

It is impossible to attain Conscious Will without working in the Ninth Sphere.

Tarot and Kabalah, 1978

Indeed, Fakirs develop the force of Willpower in a severe way by means of all of these physical tortures. Nevertheless, they do not achieve the creation of the Body of Conscious Will (Causal Body) because this is a one hundred percent Sexual problem. If the Body of Conscious Will (Causal Body) could be built with the physical tortures of Fakirs, then, according to the Law of Correspondences and Analogies and in obedience to the Hermetic Maxim that states, "As above so below," we would also have to state that the body of bones and flesh, the physical body, can also be built with such practices. Consequently, the sexual act of father and mother would be superseded.

The Solar Bodies, 1968

There, in the region of Tiphereth is the "Cloth of Veronica", which signifies the "Christ Will", that the Will of the Father must be done.

Tarot and Kabalah, 1978

It is impossible to attain Conscious Will without working in the Ninth Sphere. There are many places where people are submitted to tremendous tortures in order to acquire Conscious Will, however they only succeed in storing a certain amount of energy. The true Fakir has his Guru, and does not leave Hindustan. The Fakirs acquire many powers, but nothing more. There are some who raise an arm and never again lower it; and there it remains. With these acts they pursue Will; but Will does not come from here, they do not achieve the fabrication of the Body of Conscious Will. All of that miracle-working leads people astray. For that reason the Fakirs are on the wrong path.

Tarot and Kabalah, 1978

Once the Body of Conscious Will is fabricated, one becomes Twice-born.

Tarot and Kabalah, 1978

In regard to fakirs, in India there are fakirs who, for example, raise an arm up and keep it there for an indefinite period of time until it becomes rigid. There are others who remain firm in place for twenty or thirty years until they turn themselves into true statues. But, after all is said and done, what is it that those fakirs gain? They develop a little willpower, and that is all. We cannot think that they will create the body of conscious will; clearly not. One cannot create a body outside of

the Ninth Sphere. If it was possible to create a body in the absence of the Ninth Sphere, we might have been born, well, from the air, from the waters of a lake, or from a rock, and we would not be children of a man and a woman. But truly, we are children of a man and a woman. Therefore, creation is always realized in the Ninth Sphere. That is obvious.

For the Few, 1980

Therefore, no fakir could create the body of conscious will far from the Ninth Sphere. Those who dedicate themselves to fakirism then gain nothing except developing a little will-power and that is all.

II The body of Will-Power

The causal body is named the body of Will-Power, the body of the Holy Spirit, into which the fruits of the astral body pass. The 1955 verses describe its thirty-three chambers and its christification, and the meditation practice asks the student to observe this body and then set it aside with the words of the exercise.

The Intimates (Monad-Spirits) of this present humanity acquired the body of the Human Spirit, called the body of Will-Power, which Krishnamurti despises so much.

III In the fifth great initiation the body of conscious will is born

This body is born in the Fifth Initiation of Major Mysteries, in the causal world of Tiphereth, where only the Father's will is done. Whoever reaches it incarnates the Soul, learns to obey the Father and becomes, in his words, a true man.

12. With the fifth, sixth, and seventh Initiation of Major Mysteries, the eight is established in the Causal Body (Superior Manas or body of will), the Buddhic body (body of consciousness), and the Atmic Body which is the vehicle of the Innermost. 13. Thus, the 888 is established in our perfect Triad.

Christic Aztec Magic, *1973*

In the fifth great initiation the body of conscious will is born. Every one who is born in the world of the conscious will inevitably incarnate his Soul. Everyone who incarnates his Soul becomes a true man with Soul. Every true complete and immortal man is an authentic Master. Before the fifth Initiation of Major Mysteries no one should be called by the title of Master.

The Perfect Matrimony, *1966*

In the fifth initiation we learn to do the Will of the Father. We must learn to obey the Father. That is the Law.

The Perfect Matrimony, *1966*

Fifth Initiation. The Human Soul or Causal body, or body of Will, is fused with the Internal Master, who is Atmãn Buddhi (Intimus and Consciousness). Thus, the three flames are one. This is a new and legitimate Master of the Major Mysteries of the White Lodge. Who ever reaches the fifth initiation can enter Nirvãna. Whoever reaches the fifth initiation is born in the Causal. Whoever reaches the fifth initiation incarnates the Soul. Only the person who reaches the fifth initiation is Man with Soul, that is to say a True Man.

The Perfect Matrimony, *1966*

In the third Initiation of fire, the Solar Astral Body is born; in the Fourth Initiation of fire, the Solar Mental Body is born; in the Fifth Initiation of Fire, the Causal Body, or Body of Conscious Will is born.

Esoteric Treatise of Hermetic Astrology, *1967*

Through this chapter we are arriving at the Causal World, at the Marvelous World of Conscious Will, in the Electronic Region.

The Solar Bodies, *1968*

The world of Tiphereth is the world of the Will. In that world only the Will of the Father is done; in the heavens as on Earth.

Tarot and Kabalah, *1978*

By breaking the fifth seal, which is the seal of the world of conscious will, obviously, the Initiate becomes the Son of Man.

The Fifth Gospel · The Seven Minds and the Seven Truths · *Third Chamber – Mexico City – July 13, 1977*

Far beyond man number six, there is man number seven, the Causal Man; the man who has fabricated for himself the body of the conscious will or causal body, the authentic man.

The Fifth Gospel · The Objective Reason of the Solar Man

IV The crystallization of the sexual hydrogen SI-12

The sexual hydrogen passes to a fourth octave and crystallises, note by note, into the form of the causal body in the forge of Vulcan. With it the initiate leaves the twelve solar laws for the world of six laws and is immortal there.

If we create the causal body, the body of the Conscious Will, we enter into the world of six laws. Thus, we convert ourselves into inhabitants of that world as the body of the Conscious Will (the causal body) is governed by six laws.

Christmas Messages, 1952-66

If, after having fabricated the astral body, we give ourselves the luxury of fabricating the mental body (this is not to be confused with the mind ordinarily used by the living and the dead, which is of an animal-lunar type), we take another great step headed for the Absolute, and we are then subject to 12 solar laws. If we fabricate the body of Conscious Will, or the causal body (this is not to be confused with the animic essence deposited inside of the lunar mind), we are then liberated from these 12 solar laws and we then remain subject to the 6 orders of cosmic Laws. This would signify taking a third step towards the Absolute.

Christmas Messages, 1952-66

The Body of Conscious Will, also called the Causal Body, is also the result of the Maithuna, the sexual act without spilling the semen.

The Buddha's Necklace, 1967

The crystallization of the sexual hydrogen SI-12 produces the Body of Conscious Will, the Causal Body.

The Buddha's Necklace, 1967

The Body of Conscious Will (Causal Body) can only be built within the Flaming Forge of Vulcan.

The Solar Bodies, 1968

The crystallization of the Sexual Hydrogen T1-12 into the Extraordinary Form of the Causal Body (Body of Conscious Will) is performed in accordance with the seven notes of the scale.

The Solar Bodies, 1968

To possess a Causal Body or Body of Conscious Will is equivalent to converting oneself into a Mahatma, into an Adept of the White Lodge.

The Solar Bodies, 1968

It is evident that we can crystallize the sexual hydrogen into the paradisiacal body of the Solar Mind with the hammer of the physicists, within the Forge of the Cyclops (the sex). It is indisputable that by working until the maximum in the Ninth Sphere, we can and must give form to the Solar Body of the Conscious Will.

Runic Magic, *1969*

(After the note SI comes DO, which corresponds to another musical scale and a higher octave.) SI can be elevated to a higher musical octave by restraining the sexual impulse and ejaculation. This is how H-SI-12 passes to a second octave, giving rise to the Solar Astral Body. Through a third shock the hydrogen will pass to a third octave which will give rise to the Solar Mental Body. A fourth octave gives birth to the Body of Conscious Will. All this work is with the Maithuna. Once in possession of these 4 vehicles, our Divine Being will enter through the pineal gland and we will then attain the Second Birth and become True Men. Whilst we have the lunar animal bodies we are intellectual animals and are only a chrysalis which could be transformed into a Celestial Butterfly this is attained with super-efforts.

Tarot and Kabalah, *1978*

The first thing which must be fabricated in the Forge of Cyclops is the true Astral Body, thus making us immortal in the world of 24 laws. Fol lowing this we need to fabricate the Solar Mental ruled by 12 laws. He who fabricates it is immortal in the world of 12 laws. Following this we have to fabricate the Body of Conscious Will, and one becomes immortal in the world of 6 laws.

Tarot and Kabalah, *1978*

The surplus of sulfured mercury crystallizes in the Astral body; it gives life to the Astral body. Thereafter, it crystallizes in the Mental body, and finally it crystallizes in the Causal body or body of conscious will. Whosoever possesses the physical, Astral, Mental, and Causal bodies receives the animistic and spiritual principles, and becomes a true human being. Before having them, one is an intellectual animal falsely called a human being.

The Mayan Mysteries, *1977*

v Hydrogen 6, which feeds the body of conscious will

Each body has its food: hydrogen 6 nourishes the body of conscious will, and what is spent on intellectual effort is lost to it. The Fifth Gospel adds a blood of the Being for this body and warns that ill will leaves no energy for making it.

The physical body is sustained with hydrogen 48. The surplus of this hydrogen is converted into hydrogen 24, which feeds the Astral Body. The surplus of hydrogen 24 is converted into hydrogen 12 (do not confuse this with this sexual hydrogen SI-12). Hydrogen 12 feeds the Mental Body; the excess of hydrogen 12 is transformed into hydrogen 6, which feeds the body of conscious will, the authentic Causal Body.

The Buddha's Necklace, *1967*

H-12 is the nourishment of the Solar Mental Body; it is wasted with in tellectual efforts. If we save it, H-6 will be obtained to nourish the Body of Conscious Will.

Tarot and Kabalah, *1978*

When one has already created the Kesdjan –or astral– and mental bodies, one needs to enter into a superior order of development. One needs to create the "Egoaitoorassnian" faculty of the Being; that is to say, to fabricate the body of the conscious will or, in other words, the causal body. It is obvious that whoever possesses the "Egoaitoorassnian" will of the Being is no longer a victim of circumstances, he can determine circumstances at will. This vehicle can only be created through the mercury of the secret philosophy.

The Fifth Gospel ·Serious Consequences of Human Hypnotism ·*Third Chamber – Mexico City – 1973*

The vehicle of the conscious will, that is, the Egoaitoorassnian will of the Being, also has its specific, defined blood, its Hanbledzoïn, and this is something we must understand. This Hanbledzoïn is the sacred "Aiësakhaldan". How is the sacred Aiësakhaldan or Hanbledzoïn of the Being formed? See that I am talking about several Hanbledzoïn. I am talking, first of all, about the Hanbledzoïn which circulates through the veins of the Kesdjan body; I am talking about the Hanbledzoïn which circulates through the veins of the body of the objective reason, defined by the sacred Antkooano. But now I am talking of a new Hanbledzoïn; this is no longer that of the astral body or that of the mental body; now I am talking about the Hanbledzoïn of the Being, which is different, right? Why? Because the astral is not the Being, the mental is not the Being; the Being is further within.

The Fifth Gospel ·Serious Consequences of Human Hypnotism ·*Third Chamber – Mexico City – 1973*

The Human Soul is indeed the Being; the Spiritual Soul or the Buddhi is the Being; the Atman is the Being. When I say the Hanbledzoïn of the Being, the sacred Aiësakhaldan, I am talking about

a new type of blood which must be created in order to nourish the body of the sacred will or of the conscious will, the will that can determine or define the circumstances: the Egoaitoorassnian will. With what is this blood formed, this Hanbledzoïn of the Being? With the emanations of the Sacred Absolute Sun. And how would a mystic succeed in attracting those emanations of the Sacred Solar Absolute to his causal body? How could we attract the sacred Aiësakhaldan? It is simply by means of contemplation, meditation and prayer. Then, such emanations are transformed into the blood of the causal, into the Hanbledzoïn of the Being.

The Fifth Gospel · Serious Consequences of Human Hypnotism · *Third Chamber – Mexico City – 1973*

However, if we do not really learn to give up mechanical antipathies, if we are always full of ill will toward our fellow men, with what energies would we then create the body of conscious will, that is, the fourth psychological body?

The Fifth Gospel · The Power of Intuition of the Psychological Man · *Third Chamber – Mexico City – June 22, 1977*

VI Proper actions of conscious will

Whoever lacks the body of conscious will is a victim of circumstances, like a log thrown on the waves. Those who possess it act from conscious will, the third kind of action, and are able to originate new circumstances.

The legitimate Body of Conscious Will permits the adept to have conscious immortality; it permits the adept to realize proper actions of conscious will and to determine circumstances.

THE BUDDHA'S NECKLACE, 1967

The Intellectual Animal has not built the body of the Conscious Will, the Causal Vehicle. The wretched, rational Homunculi is always a victim of the eternal laws of Return and Reoccurrence.

MY RETURN TO TIBET, 1969

The main cause of the third type of action is certainly the causal body or body of Conscious Will.

THE THREE MOUNTAINS, 1972

As a consequence or corollary we can assert the following: The acts born of the Conscious Will are possible only when we have had the luxury of having created a causal body for our own use.

THE THREE MOUNTAINS, 1972

One has to learn to determine circumstances, not let the circumstances determine him.

THE FIFTH GOSPEL

Unquestionably the abject people, since they do not really have a body of the Conscious Will, are always fatally victims of circumstances.

THE THREE MOUNTAINS, 1972

The categorical imperative, the determinative faculty, the one that enables us to originate new circumstances, is only possible when one possesses a causal body, also known as the body of Conscious Will.

THE THREE MOUNTAINS, 1972

In life, there are three types of action. First: actions that are the product of an accident, or they simply correspond to the Law of Accidents. Second: actions that are the result of karma. Third:

actions produced by the conscious will. These last ones are truly the characteristic of the Initiates, of the Masters, of those who really already possess individual conscious will.

The Fifth Gospel · Beyond the Mind · *Third Chamber – Mexico City – 1974*

And finally, to fabricate the body of conscious will to handle all circumstances. The one who is a victim of circumstances does not possess the body of conscious will. One has to learn to determine circumstances, not let the circumstances determine him. The one who is still determined by circumstances is like a log thrown among the raging waves of the ocean; he is a victim of all calamities.

The Fifth Gospel · Psychic Associations that Lead to Awakening · *Third Chamber – Mexico City – 1975*

One needs to learn to determine his circumstances, and that is only possible by creating the body of conscious will. Such a body is created by means of the transformation of sperm into energy. It is that very subtle energy of sex with which the body of conscious will is created.

11 The Christic Will is not tyranny

The Christic Will persuades and never tyrannises, and the fire purifies the causal body while the initiate learns to respect another's free will. Violent domination of other minds is named black magic, and the atom of willpower is placed at the root of the nose.

9. You understand now, my brother, what it is to respect the free will of other people. 10. The FIRE is purifying bit by bit the Causal body or body of Will.

Christ Will, 1959

Whosoever does not know how to respect the free will of others is a black magician.

Christic Aztec Magic, 1973

13. The Christic Will is the strength of conscious persuasion amongst the delectable symphonies of the Universal fire.

Christ Will, 1959

Whosoever does not know how to respect the free will of others is a black magician. Those who perform mental works in order to violently dominate the minds of others convert themselves into perverse demons. These people separate themselves from the Innermost; thus, this is how they crumble into the abyss.

Christic Aztec Magic, 1973

By all means it stands out with complete meridian clarity that violence is multifaceted. The ego breaks laws, wounds honor, profanes, violates the mind of others, smashes, crumples, ruins,

intimidates the neighbor, etc. Yet, the Being respects the free will of our neighbors, He is always serene and appeased.

Parsifal Unveiled, 1970

The atom of the Father is situated in the root of the nose; this is the atom of willpower.

The Mayan Mysteries, 1977

How this was made. All fifty-two books were extracted (73,105 paragraphs, 2,157,671 words) and swept on his words for it: the Christ-Will, the Christic will and Thelema; "thy will be done" and the will of the Father, the Intimate and the Being; the will that kneels and obeys; the crown of thorns and Gethsemane where the will is named; the body of conscious will; and willpower and free will wherever they stand beside the Christ, the Father, the Being or the fire. The heart of his book *Christ Will* (its Introduction, "Thy will be done", "Will and Desire" and "Aspects of the Will") was taken whole. The paragraph either side of every core paragraph was taken too. That returned **637 candidate paragraphs in 45 books**. Every candidate was read **twice, by independent readers** working from a written brief. The two passes agreed on whether to print 90.9% of the time and on the class 84.5%, and a third reader, who saw neither verdict, settled the 58 disagreements. 302 were judged printable. 32 of them were set aside as the same teaching, kept where it stands in another of his books, and 8 were joined into the passage before them, where his sentence ran across several short paragraphs, so **262 passages are printed here**. The rest are recorded with the reason each was set aside.

What was set aside. 47 were greetings, dates, editors' notes or narrative, 18 were false friends ("will" as the future tense, or in another sense), 86 named the subject only in passing, 29 belonged to another built work, and 44 were neighbours on another subject. 38 more were judged and not printed, and 73 were judged the second halves of sentences begun in the paragraph before.

No sentence of his is cut in half. Each range was extended against the corpus until his sentence closed, a passage that turned out to be the second half of the one before it was absorbed into it, and 43 ranges run over more than one paragraph.

141 passages also stand in a finished work, and every one is marked where it stands, the most in *Desire and Will* (58) and *Tiphereth* (14). The editor ruled that this work prints in full and that shared passages print here too. An overlap is allowed wherever the teaching needs it. What is not allowed is an overlap a reader cannot see.

Checked against the source. Every passage was proved word for word against the raw extraction of its own book, and the printed text against the paragraphs it joins, with no failures. Three faults of the scan are mended ("signi fies" and "car ried" printed whole, and "Father f it" read as "Father if it"), and the 1955 book's chapter numbers and titles, which the scan ran into his verses, are left out. His verses repeat themselves on purpose, and each repetition is printed.

A work of The Christ, the ninth after *The Intimate Christ*, *The Solar Logos*, *Christ Mind*, *The Holy Grail*, *Christmas*, *INRI and the Cross*, *The Resurrection and Easter* and *The Last Supper and the Gnostic Unction*. It is the companion of *Christ Mind*: the mind made Christic there, the will here. It wears the Christ family's lilac mist and the themed works' two hairlines, in the plum of Gethsemane.
