1 I abandoned this physical body for a while

CHAPTER 43 RUNE LAF I was still very young and she (the starry night) was named Urania. So, on one of those nights, it does not matter which one, I abandoned this physical body for a while. How happy I felt while out of the dense body. There is no better pleasure than feeling oneself as a detached soul. Past, present and future become an eternal now.

1 Runic Magic, 1969 ·Chapter 43, Rune Laf

2 To penetrate within the parallel universes

To penetrate within the parallel universes becomes relatively easy when one has the consciousness awakened.

2 Runic Magic, 1969 ·Chapter 43, Rune Laf

3 Such is the power of the Verb

While in the parallel universe of the fifth dimension, I felt the necessity of invoking a Master, thus, I cried with a great voice, calling, beseeching, asking.

3 Runic Magic, 1969 ·Chapter 43, Rune Laf

In an instant it looked as if the whole universe was transformed, such is the power of the Verb.

4 Runic Magic, 1969 ·Chapter 43, Rune Laf

4 The silver cord

The silver cord has the power of infinitely elongating itself this is how the souls can freely travel throughout the starry space.

5 Runic Magic, 1969 ·Chapter 43, Rune Laf

5 A Mitraic bull

So, I traveled a lot and arrived at the Temple. Filled with ecstasy, I advanced through the mysterious path which conduces the Initiates until the doors of this very saintly place. I was then unexpectedly attacked by a great beast, by a Mitraic bull, which was dreadful in a great manner. Without boasting of valiance, I tell you, beloved reader, that I did not feel fear. I confronted the animal in a resolute and blunt way, holding it by its horns. Thus, I managed to sink it down to the ground.

6 Runic Magic, 1969 ·Chapter 43, Rune Laf

6 A chain of iron dropped

However, in those precise moments something unusual happened. Before my astonished consciousness, a chain of iron dropped and as if by magic the terrible animal disappeared. I intuitively comprehended everything in those moments. Clearly, I needed to make myself free, to brake the slavering chains, to eliminate the animal ego. Afterwards, I continued on my way and I entered through the doors of the Temple. I became inebriated by an exquisite spiritual voluptuousness. Certainly, I would not change those instants, not even for all the gold of the world.

7 Runic Magic, 1969 ·Chapter 43, Rune Laf

7 The chariot of the centuries

What happened afterwards is well known by the Gods, and now I write it for the humans. I saw the chariot of the centuries, which was driven by three Masters of the White Lodge and a venerable Elder was in this chariot of mystery. How can I forget such a face? Such a countenance? Such an appearance? Such sublime perfection? The forehead of that Elder was certainly high and majestic, his nose straight and perfect, his lips fine and delicate, his ears small and recoiled, his beard white and with an aureole of light, and his hair of an immaculate whiteness which was falling over his shoulders. It is obvious that I could not stop inquiring about him, since he was terribly Divine, and formidable.

8 Runic Magic, 1969 ·Chapter 43, Rune Laf

8 The name of Him is PETER

“The name of Him is PETER” answered one of the Hierophants who was driving the chariot of the centuries. Then after...oh God of mine!... I abased myself on the ground before this Elder of the Centuries, and filled with infinite love and compassion, while speaking in the golden language, he blessed me.

9 Runic Magic, 1969 ·Chapter 43, Rune Laf

9 The Gospel of PETER, the Maithuna, Sex Yoga

Since then I have reflected a lot, and I will never be sorry for having taught humanity the Gospel of PETER, the Maithuna, Sex Yoga.

10 Runic Magic, 1969 ·Chapter 43, Rune Laf

10 PATAR, PETER, said

PATAR, PETER, said: Behold I lay in Sion a chief corner stone, elect, precious... Unto you therefore which believe he is precious: but unto them which be disobedient, the stone which the builders disallowed, the same is made the head of the corner. And a stone of stumbling, and a rock of offense. (1 Peter, 2: 6, 7, 8).

11 Runic Magic, 1969 ·Chapter 43, Rune Laf

11 Is it not perhaps the same Initiatic Stone?

But then, what about the Holy Grail? Is it not perhaps the same Initiatic Stone? The Grail is a precious stone which was brought to the earth by the Angels, and entrusted to an Initiatic Fraternity for its custody. This Fraternity was named the Grail Custodians. Here we are then with the Stone of Jacob, the Sacred Stone of the Scottish Liafail, the Cubic Stone of Jesod which the Hebraic Kabbalists locate in the sex.

12 Runic Magic, 1969 ·Chapter 43, Rune Laf

12 This Holy Stone

The legitimate text from Wolfram of Echembach, related to this Holy Stone and to the White Brotherhood which wisely have custody of it, effectually is as follows: Those heroes are animated by a stone. Do not you know its August and pure essence? Iris called Lapiz-Electrix (MAGNES). Any marvel (MAGIC) can be performed through it. As the phoenix which is precipitated into the flames, It can be reborn from its own ashes. Because within the same flames it rejuvenates its plumage, thus rejuvenated, it glows more beautiful than before. Its power is such that any man, who, no matter how unhappy in his own state he might be, no matter his colour, no matter his face, instead of dying as others, he no longer knows what age might be. And whether man or woman, they shall enjoy from this ineffable delight, which is to contemplate the STONE for more than two hundred years.

13 Runic Magic, 1969 ·Chapter 43, Rune Laf

13 Into the Hermes Cup, into the Sacred Chalice

This Initiatic Stone is esoterically converted into the Hermes Cup, into the Sacred Chalice.

14 Runic Magic, 1969 ·Chapter 43, Rune Laf

14 PEDRO, PATAR, PETER, the Initiatic Revelation

PEDRO, PATAR, PETER, the Initiatic Revelation, is within the sex, and anything that is not through this way signifies a useless loss of time.

15 Runic Magic, 1969 ·Chapter 43, Rune Laf

15 Whose meaning is SAVIOUR

It becomes tremendously significant that as much in the north of America as well as in the same whole continent, we can find engraved on the stones the LAFTAR, or RUNE LAF, whose meaning is SAVIOUR.

16 Runic Magic, 1969 ·Chapter 43, Rune Laf

16 Upon the Living Stone

It is obvious that we must build the church for the Intimate Christ upon the Living Stone. Woe to those who build their interior temple upon the quicksand of all theories. Rain will fall, rivers will run and their house will crumble into the abyss, where only weeping and the gnashing of teeth are heard.

17 Runic Magic, 1969 ·Chapter 43, Rune Laf

17 If we join two LAFs by its arms

If we join two LAFs by its arms, then we have the letter M of Matrimony.

18 Runic Magic, 1969 ·Chapter 43, Rune Laf

18 The Wedding Garment of the soul

It is clear and certain by all means that only by treading upon the Path of the Perfect Matrimony can the Wedding Garment of the soul be attained. This Garment is the perfect synthesis of the Solar Bodies.

19 Runic Magic, 1969 ·Chapter 43, Rune Laf

Woe to those unhappy ones who present themselves at the banquet of the Lord, without the Wedding Garment.

20 Runic Magic, 1969 ·Chapter 43, Rune Laf

The command of the King is written: “Bind him hand and foot, and take him away, and cast him into outer darkness; there shall be weeping and gnashing of teeth. “For many are called but few are chosen.” (Matthew, 22: 13,14).

21 Runic Magic, 1969 ·Chapter 43, Rune Laf

19 Going towards the Sun in the morning

PRACTICE: The practice which corresponds to this Rune consists of going towards the Sun in the morning. In the moments of sunrise, adopt a mystical attitude, that is, lift the hands as shown by the Rune. In this way one implores unto HE (the Sun, Christ) for esoteric help. This practice must be performed on the 27th of each month.
