1 We deeply study the problem of sexual transmutation for single people

CHAPTER 28 RUNE OS It is urgent, indispensable, and unpostponable that we deeply study the problem of sexual transmutation for single people in this 1968-1969 Christmas message.

1 Runic Magic, 1969 ·Chapter 28, Rune Os

2 Innumerable letters from many single students

Innumerable letters from many single students suffering from nocturnal pollutions are constantly arriving to this patriarchal headquarters of the Gnostic movement.

2 Runic Magic, 1969 ·Chapter 28, Rune Os

3 The medicine against such subjective states is sexual magic, the Maithuna

Certainly, nocturnal pollutions are something filthy, dirty and execrative. We always answer that the medicine against such subjective states is sexual magic, the Maithuna. However, we must clarify this matter. While we remain very alive, in other words, while we remain with the ego existing in the forty-nine regions of the subconsciousness, erotic dreams inevitably will continue.

3 Runic Magic, 1969 ·Chapter 28, Rune Os

4 The Maithuna establishes an adequate foundation

Nonetheless, to make light within the darkness, we must emphatically affirm that the Maithuna establishes an adequate foundation in order to avoid nocturnal pollutions, even when pornographic dreams continue.

4 Runic Magic, 1969 · Chapter 28, Rune Os

5 The Chela (disciple) becomes accustomed to refraining the sexual impulse

What occurs is that with the Sahaja Maithuna (sex-yoga), the Chela (disciple) becomes accustomed to refraining the sexual impulse often. Therefore, when an erotic dream is produced, the mind refrains the sexual impulse by instinct. This is how we avoid what is called a nocturnal pollution or the lamentable loss of the vital liquor.

5 Runic Magic, 1969 ·Chapter 28, Rune Os

6 Daily practice is needed, year after year, with intensity

It is clear, certain and evident that such a formula helps when one has continuity of purpose. Thus, daily practice is needed, year after year, with intensity.

6 Runic Magic, 1969 · Chapter 28, Rune Os

7 This formula only works when one has a spouse

Unfortunately, this formula only works when one has a spouse, but, what about those who are single, who do not have a spouse? Then what?

7 Runic Magic, 1969 ·Chapter 28, Rune Os

8 Here is precisely where the problem resides

Here is precisely where the problem resides, and it is certainly very grave. If what we truly want is to utilize this formula, then what we need is to get a spouse.

8 Runic Magic, 1969 · Chapter 28, Rune Os

9 I want to refer to sexual transmutation for single men and women

Now, let us pass into another very similar matter. I want to refer to sexual transmutation for single men and women.

9 Runic Magic, 1969 ·Chapter 28, Rune Os

10 They also need to progress

It would be lamentable if single men and women could not utilize the sexual energy in some way. They also need to progress. So how? Well, let us get to the roots, to the facts. I do not want to say that those who are single can Self-realize themselves in depth. They cannot, because it is clear that without the Maithuna, it is more than impossible to reach the Adepthood, which is so longed for.

10 Runic Magic, 1969 ·Chapter 28, Rune Os

11 Those who are single can and must utilize the creative energy for the awakening of the consciousness

Nevertheless, those who are single can and must utilize the creative energy for the awakening of the consciousness.

11 Runic Magic, 1969 ·Chapter 28, Rune Os

12 What we need to know is the technique

What we need to know is the technique, and this is precisely what this present chapter is committed to. Thus, let us now in full, enter into the fields of the Rune Os.

12 Runic Magic, 1969 ·Chapter 28, Rune Os

13 This Rune intensely vibrates with the Constellation of the Scorpion

This Rune intensely vibrates with the Constellation of the Scorpion, which is very important because this court of stars is found intimately related with the sexual organs. This is the same Rune Olin of Aztec Mexico and it is esoterically related with the famous Rune Thorn.

13 Runic Magic, 1969 ·Chapter 28, Rune Os

14 Olin is the mystical symbol of the God of Wind

Among the Aztecs, Olin is the mystical symbol of the God of Wind, the Lord of the Cosmic Movement. The name of this angel is Ehecati, the one who intervened in the resurrection of Jesus by transmitting Prana, life into the body of the great Kabir and saying: "Jesus rise with your body from within your tomb."

14 Runic Magic, 1969 ·Chapter 28, Rune Os

15 I personally know the angel Ehecati, the God of Wind

I personally know the angel Ehecati, the God of Wind. He is certainly an extraordinary Deva who lives in the World of the Conscious Will. So then, we can see the intimate existent esoteric relation between the Rune Os and the Rune Thorn (movement and will). Albeit, the many "super-transcended" stubborn ones from the worthless pseudo-esoterism and pseudo occultism will laugh at the notion of elemental creatures of Nature, considering them fantasy. Even when they mock and do scoff at Paracelsus and his elementals, such as Gnomes, Pygmies, Sylphs, Salamanders, etc., etc., these elementals have existed, do exist, and will always continue to exist, eternally.

15 Runic Magic, 1969 ·Chapter 28, Rune Os

16 Ehecatl is certainly a Guru Deva who has power over the Sylphs of the air

Ehecatl is certainly a Guru Deva who has power over the Sylphs of the air. So, what if the foolish, obtuse, and stubborn do not like this? Do they laugh about elementals? Do they mock us? Frankly, we are not bothered by it, since he who laughs at what he does not know is an ignoramus who walks the path of idiocy.

16 Runic Magic, 1969 ·Chapter 28, Rune Os

17 The millenary Sphinx in the sacred land of the Pharaohs

The millenary Sphinx in the sacred land of the Pharaohs corresponds to the Elemental Sphinx of Nature, which is the mysterious instructor of the holy Devic College. This Elemental Sphinx of ancient Egypt, which is so intimately related with the mysterious Sphinx of stone, came to me when I was born in the world of Conscious Will. This Elemental came with its feet covered with mud... so, I exclaimed: "Your feet are filled with clay!" It was clear... I understood everything... In this black age which is governed by the Goddess Kali, everything has been profaned, and no one wants to do anything with the Sacred College of the Sphinx.

17 Runic Magic, 1969 ·Chapter 28, Rune Os

18 Kiss me with purity

When I, filled with love, wanted to kiss this Elemental, she (the Sphinx) told me: "Kiss me with purity." This I did when kissing her cheek. Afterwards, the Sphinx returned to her point of departure, that is to say, to the sacred land of the Pharaohs.

18 Runic Magic, 1969 ·Chapter 28, Rune Os

19 It is necessary to awaken the consciousness

All the Gnostic Brethren would like to do the same thing, to talk face to face with the Elemental Sphinx of Nature, to have a dialogue with the Devas, to walk with Ehecati. But, first of all, it is necessary to awaken the consciousness, to open the door, to call with persistency, to set in motion our Will-Power.

19 Runic Magic, 1969 ·Chapter 28, Rune Os

20 Observe very carefully the two diagrams of the Rune Os

PRACTICE: Observe very carefully the two diagrams of the Rune Os. In the same way that the Rune FA has its two arms upwards, the Rune Olin has them downwards, and this is profoundly significant.

20 Runic Magic, 1969 ·Chapter 28, Rune Os

21 There is the need to successively alternate movements

During these esoteric practices, there is the need to successively alternate movements by placing the arms in the first position (downwards), then, in the second position (placing the arms on our waist as in the Rune Dorn or Thorn). I repeat, examine very carefully the two diagrams of the Rune Os.

21 Runic Magic, 1969 ·Chapter 28, Rune Os

22 You must combine the movement with harmonious and rhythmic breathing

During these Runic practices, you must combine the movement with harmonious and rhythmic breathing. Inhale the Prana through the nose, and exhale it through the mouth along with the mystic sound TTOOOORRRRRNNN, prolonging the pronunciation of each letter.

22 Runic Magic, 1969 ·Chapter 28, Rune Os

23 Imagine the sexual forces rising

When inhaling, imagine the sexual forces rising, ascending from the sexual glands throughout the pair of sympathetic nervous cords, which are known in India by the names of Ida and Pingala.

23 Runic Magic, 1969 ·Chapter 28, Rune Os

24 These nerves or tubes reach the brain

These nerves or tubes reach the brain, then after they continue through other nerves towards the heart. These nerves are other channels, the Amrita Nadi is one among them. When exhaling, imagine the sexual energies entering the heart, and even penetrating more deeply, reaching to the consciousness in order to awaken it. Strike the consciousness with force, with THELEMA (Will-Power), thus combining the Runes Thorn and movement.

24 Runic Magic, 1969 ·Chapter 28, Rune Os

25 Beseech the Father who is in secret

Afterwards, pray and meditate. Beseech the Father who is in secret, ask Him to awaken your consciousness.

25 Runic Magic, 1969 ·Chapter 28, Rune Os

26 Beseech your Divine Mother Kundalini

Beseech your Divine Mother Kundalini, beg Her with infinite love to raise, to make the sexual energies reach the heart and even further, to the very profound bottom of your consciousness.

26 Runic Magic, 1969 ·Chapter 28, Rune Os

27 Build faith even the size of a grain of mustard seed

You must love and pray, meditate and supplicate. Build faith even the size of a grain of mustard seed and you will be able to say unto a mountain, “remove hence to a distant place”, and it shall remove. Remember that doubt is the beginning of ignorance.

27 Runic Magic, 1969 ·Chapter 28, Rune Os

28 Ask and it shall be given you

"Ask and it shall be given you, Knock and it shall be opened unto you."

28 Runic Magic, 1969 ·Chapter 28, Rune Os

29 Our single disciples of both sexes can transmute their sexual energy with the Rune OLIN

6. Our single disciples of both sexes can transmute their sexual energy with the Rune OLIN. EXERCISE 7. In a firm footed position the disciple will do several inhalations and exhalations rhythmically. 8. As he inhales air he should unite his imagination and will in vibrant harmony to make the sexual energy rise through the two ganglionic cords of the Medulla until it reaches the brain, between the eyebrows, the throat and the heart, respectively. 9. Then the disciple will exhale his breath, firmly imagining that the sexual energy is fixed on the heart. 10. On exhaling his breath, the disciple will vocalize the mantram "THORN" in this manner. TOOOOOOOOOOORRRRRRRNNNNNNN... 11. In this way our disciples who are single, of both sexes, can transmute their sexual energy 12. The sexual energies are also transmuted with the esthetic sense, with love of music, sculpture and in great walks, etc. 13. The single person who does not want to have sexual problems should be absolutely pure in thought, in word and in deed.

29 Manual of Practical Magic, 1954 ·(Thau) The Return

30 With the exercise of the Rune OLIN we should carry out several movements of the arms

14. With the exercise of the Rune OLIN we should carry out several movements of the arms. 15. The disciple should place his right hand on his waist. 16. He will extend both hands towards the left, the left hand slightly more elevated than the right, the arms stretched to form an acute angle with the trunk. 17. Place both hands on the waist.

30 Manual of Practical Magic, 1954 ·(Thau) The Return

31 OLIN, the sacred sign of the Aztecs Indians, is the door

40. This mantra has the power to reinforce the Pure Akasa within our Brahmanic cord. 41. OLIN, the sacred sign of the Aztecs Indians, is the door to enter into the great Mysteries of the fire.

31 Igneous Rose, 1954 ·Chapter 31, The Creative Larynx

32 The exercise of OLIN must be performed by placing the right arm upon the waist

42. The exercise of OLIN must be performed by placing the right arm upon the waist. Then, both arms must be extended towards the left side of the body and at the end, both arms must be placed upon the waist, while vocalizing the mantra THORN. 43. The vocalization must be combined with inhalations and exhalations of pure air with the intention of carrying the vital Christ to each one of the seven bodies.

32 Igneous Rose, 1954 ·Chapter 31, The Creative Larynx

33 The sign OLIN is governed by the sign of Scorpio

44. The sign OLIN is governed by the sign of Scorpio which controls the sexual organs. 45. We know that the whole power of the Kundalini is found in the phallus and in the uterus. The secret for awakening the Kundalini is contained within the union of the two. 46. On one occasion, when conversing with a Master of the great White Hierarchy, he touched my sexual organs in order to examine me. I then felt an electric shock throughout my body. The Master was very content and said to me: "You are progressing very well." 47. Nature has its origin in the fire and the entire power of the fire is found enclosed within our sexual organs.

33 Igneous Rose, 1954 ·Chapter 31, The Creative Larynx

34 Only by going through the doors of OLIN

40. Only by going through the doors of OLIN, can we break the chains that have made the Human Will a prisoner of earthly things.

34 Christ Will, 1959 ·Chapter 1, Thy Will Be Done

35 The numerical value of the sign OLIN of the Aztecs is four

11. The numerical value of the sign OLIN of the Aztecs is four.

35 Christ Will, 1959 ·Chapter 8, The Fourth Chamber

36 The Magic Key, Rune Olin

Transmutation: The Fool, Foolishness “Total Demoralisation due to evil. The Magic Key, Rune Olin. The Antithesis; enemies of Hiram Abiff.”

36 Tarot and Kabalah, 1978 ·Chapter 86, Prediction and Synthesis

37 Practice these Runes in order

Practice these Runes in order, you should start your Runic exercises the 21st of March [read Chapter 3]. Dedicate the time that you wish to each Rune.

37 Runic Magic, 1969 ·Chapter 46, Rune Gibur
