Analogy of the Development of Consciousness

Seminal pearl, golden embryo, Bodhicitta and Bodhisatwa, told as seed, plant, light and gardener.

ANALOGY OF THE DEVELOPMENT OF CONSCIOUSNESS

Seminal Pearl • Golden Embryo • Bodhicitta • BODHISATWA

Four concepts explained through a simple analogy

1. SEMINAL PEARL

THE SEED

First nucleus of consciousness liberated from the ego.

2. GOLDEN EMBRYO

THE PLANT

The seed grows and forms a stable consciousness.

3. BODHICITTA

LIGHT AND WISDOM

Awakened consciousness, developed through experience.

4. BODHISATWA

THE GARDENER

Human Soul of a Master, guided by the Being.

SEED (Seminal Pearl) → **PLANT** (Golden Embryo) → **LIGHT** (Bodhicitta)

DEVELOPMENT OF CONSSCIOUSNESS

BODHISATWA = THE ONE WHO EXPRESSES THAT CONSCIOUSNESS IN SERVICE TO THE BEING

CONSCIOUSNESS GROWS; THE BODHISATWA PLACES IT AT THE SERVICE OF OTHERS.
